DEALER PRODUCT GUIDE 2010-2011

Configure the Perfect Mozaex System

This Dealer Product Guide includes all of the information you need to configure the perfect Mozaex system for your client. The companion **Mozaex Client Brochure** provides greater functional details of the Mozaex system. Mozaex offers the broadest selection of models and the highest level of quality available in the market today.

With Mozaex, your client will instantly enjoy their entire media collection from any room at any time including: Blu-ray and DVD movies; CD and MP3 music, Digital Photographic slide shows and dozens of online media channels.

Choose either a Player / Server System, All-In-One Solo System or Music System

Select the system that meets your projects needs by following these 4 steps:

1. Select how many movie/music/other media playback zones you need. Consider the Sonnet for music-only zones or complete projects.
2. Select how much storage you need and whether it needs to be RAID 6 protected.
3. Select the remote control you desire – either 1 way, Semi 2-way or full 2-way.
4. Mix or match the Player / Solo Series with the audio / video output and enclosure that best meets the projects requirements.

Mozaex System Selector Guide				
Feature	Playback Zones	Storage Size and Type	Remote Control	Applications
Player / Server Systems	Large - 30 Max.	16 TBs Central RAID 6	1 or 2-Way	Large and Scalable
All-In-One Systems - Solo	Small - 3 Max.	12 TBs Shared Non-RAID	1 or Semi 2-Way	Small and Affordable
Music Systems - Sonnet	Small or Large	Shares Server Storage	Semi or 2-Way	Complete music-only system or add music-only Players

Mozaex Player/Solo Series Selector Guide				
Feature	Enclosure	Video	Solo Storage	Unique Features
Player / Solo 1 Series	Compact	HDMI, VGA, Optional Component	1TB or 2TB	5-7 lbs, Ultra Quiet
Player / Solo 2 Series	Stylish	HDMI, Component, DVI, VGA	2TB or 4TB	Brushed Aluminum
Player / Solo 3 Series	Rugged	HDMI, Component, DVI, VGA	2TB or 4TB	Rack Mount, Direct IR Input

Server Selector Guide			
Feature	RAID Server	Server	Mini Server
RAID Support	RAID 6	NO	No
Removable Media Drives	Up to (10) 2TB Drives	Up to (10) 2TB Drives	(1) Fixed 1TB or 2TB Drive
Media Storage Size	6TB to 15TB	4TB to 20TB	1TB or 2TB
Total DVD Movie Capacity	750 to 2000	500 to 2500	125 or 250
Total Blu-ray Movie Capacity	150 to 400	100 to 500	25 or 50
Player Licenses Included	30	10 or 30*	10 or 30*

***Notes:**

Media Storage Capacity: Actual storage capacity may vary. Average DVD size= 8GB · Average Blu-ray size= 40GB

Dual A/V: Playing movies with "dual" simultaneous video and/or audio outputs is not normally supported. Contact your Mozaex dealer if dual audio and/or video is required. A Server is required for full 2-way control systems such as Crestron® and AMX®. Contact Mozaex if more than the standard 10 or 20 Player licenses are required on the Server and Mini Server.

Control Methods: "1-way" control is controlling the Mozaex TV GUI like an IR remote control. "Semi 2-way" is a remote control method where the touch panel controls the playback of music using the control system's database and player, not the Mozaex database. "2-way" is retrieving both movie and music cover art and playing via the Mozaex database and Players.

NetPlay: Some or all of NetPlay online services may not be functional or available in your area.

Copyright Disclaimer: Mozaex is for personal home use only of personally owned media. It is the sole responsibility of the user to obey all copyright laws. While Mozaex is only shipped with licensed decryption software used to play back optical DVD and Blu-ray® discs, it may not be able to load or play some or all DVD and Blu-ray movies. Mozaex does not make, ship, offer or induce the use of any unlicensed decrypting software on the Mozaex System.

The Entertainment System that's Modular, Flexible and Scalable

With its modular Movie/Music Media Players and Music-only Sonnet Players you can locate your Players however and wherever you want.

Centralized System – Centralize the Players with the Server and use an A/V switch to send the audio/video signals to any room.

- Advantage:** Saves money by sharing Players across multiple rooms.
- Disadvantages:** Extending HDMI may be costly and limited in distance.

Distributed System – Distribute the Players in the rooms across the Ethernet LAN.

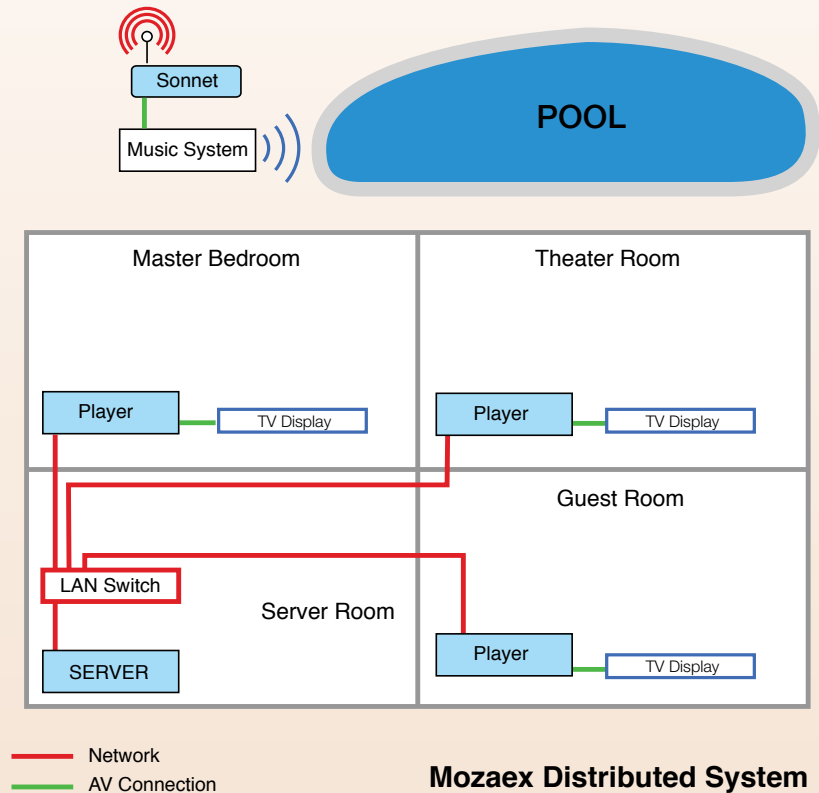

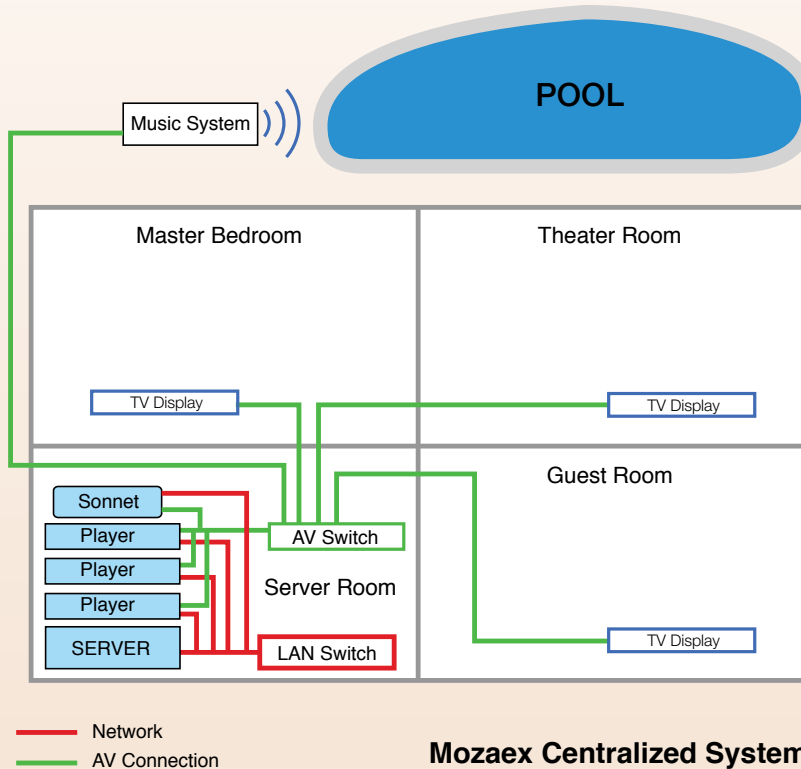

- Advantage:** Saves money by utilizing simple CAT 6 wiring. Supports high quality HDMI and physical disc loading.
- Disadvantages:** Requires a Player in each room.

You can also mix these two topologies. For example, centralize the Media Players and distribute via Wi-fi the Sonnet Music Players. Expand playback zones anytime by adding more Players.

Media storage is easily expanded by either adding more MediaDrives to open Server bays and/or adding another Server.

Plays All your Media in Any Room, at Anytime!

Player / Server Systems - Players

Plays and Loads Media to and from a Mozaex Server

Player 3 3D Player 3

- ▶ Rugged Rack-Mount Blu-ray Media Player
- ▶ 3D Model Plays LPCM or Bit Stream HD Audio

The Player 3 is a rugged rack-mount Blu-ray Media Player that plays Blu-ray 7.1 LPCM HD Audio.

The 3D model plays Blu-ray 3D movies with **BOTH** Blu-ray 7.1 HD Audio LPCM and Bitstream formats in their native form including Dolby® TrueHD™ and DTS® HD Master Audio™.

Included is a Blu-ray drive for loading and playing media discs.

- ▶ Plays Stored Blu-ray/DVD/CD, Photos and Online media
- ▶ Plays and loads Blu-ray, DVD and CD discs
- ▶ Scales DVD movies to 1080p
- ▶ HDMI, DVI, VGA, and Component
- ▶ HDMI or Analog 7.1 HD Audio, SPDIF 5.1 digital or Stereo
- ▶ Direct IR input jack for extending IR remote controllers
- ▶ IR Handheld Remote Controller
- ▶ Enclosure: 2U High Rack Mount
- ▶ Dimensions: 19" (W) x 3.5" (H) x 21" (D)

Player 2 3D Player 2

- ▶ Stylish, Shelf-Mount Blu-ray Media Player
- ▶ Aesthetically Appealing Enclosure

The Player 2 is a stylish Blu-ray Media Player that plays Blu-ray 7.1 LPCM HD Audio.

A 3D model plays Blu-ray 3D movies.

Included is a Blu-ray drive for loading and playing media discs.

- ▶ Plays Stored Blu-ray/DVD/CDs, Photos and Online media
- ▶ Plays and loads Blu-ray, DVD and CD discs
- ▶ Scales DVD movies to 1080p
- ▶ HDMI, DVI, VGA, and Component
- ▶ HDMI or Analog 7.1 HD Audio, SPDIF 5.1 digital or Stereo
- ▶ IR Handheld Remote Controller
- ▶ Enclosure: Shelf Mount. Optional Rack Kit
- ▶ Dimensions: 15.5" (W) x 4.5" (H) x 14" (D)

Player 1 3D Player 1

- ▶ Affordable Blu-ray Media Player
- ▶ Compact, Cool, Quiet Enclosure

The Player 1 is an ultra compact Blu-ray Media Player that plays Blu-ray 7.1 LPCM HD Audio.

It is perfect for shallow depth shelf and rack mounts, rear TV mounting and Yacht installs.

A 3D model (slightly larger in size) plays Blu-ray 3D movies.

Included is a Blu-ray drive for loading and playing media discs.

- ▶ Plays Stored Blu-ray/DVD/CDs, Photos and Online media
- ▶ Plays and loads Blu-ray, DVD and CD discs
- ▶ Scales DVD movies to 1080p
- ▶ HDMI, DVI, VGA, Optional Component "CV" (See Size Below)
- ▶ HDMI or Analog 7.1 HD Audio, SPDIF 5.1 digital or Stereo
- ▶ IR Handheld Remote Controller
- ▶ Enclosure: Shelf Mount. Optional Rack Kit
- ▶ Dimensions: 8.22" (W) x 2.87" (H) x 9.8" (D)
- ▶ Dimensions (3D or CV Model): 11.75" (W) x 2.87" (H) x 9" (D)

Blu-ray 3D Player Models: Loads and plays Blu-ray 3D movies on compatible 3D HDTVs, 3D ready receivers and Active 3D glasses. Refer to the www.mozaex.com web site or contact Mozaex for a list of compatible 3D audio and video equipment.

Component Video (CV) – CV is standard on the Player 2 and 3 whereas optional CV models are available on the Player 1. Simultaneous multiple ("dual") audio or dual video is not normally supported. Contact Mozaex if dual audio or dual video is required.

LPCM HD Audio - The Player decodes Dolby® TrueHD™ and DTS® HD Master Audio™ into LPCM which is then delivered without loss to your audio system.

Player / Server Systems - Servers

Loads, Stores and Delivers Media to Mozaex Players

RAID Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ Up to 15TBs of RAID 6 Media Storage

The Mozaex RAID Server offers the ultimate in storage capacity and protection. RAID 6 ensures that your media collection is fully protected in the event that 1 or 2 media drives fail. It is enclosed in a rugged 4U rack mount chassis.

Includes 20 Player licenses. A 30 Player license upgrade is available.

- ▶ 6TB to 15TB of RAID 6 storage
- ▶ Includes Blu-ray drive for loading movies and music
- ▶ Includes USB, an 11-in-1 memory card reader for loading digital camera photos, a 17-inch Administration LCD monitor, and a rugged 1U rack keyboard
- ▶ Dimensions 4U: 19" (W) x 7" (H) x 21" (D)

Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ 4 to 20TBs of affordable Non-RAID Media Storage

The Mozaex Server offers 4TBs to 20TBs of Non-RAID media storage. It is enclosed in either a rugged 4U or 2U rack mount chassis. The 2U model is available with either 2TBs or 4TBs of non-removeable storage.

Includes 10 Player licenses. A 30 Player license upgrade is available.

- ▶ 4TB to 20TB of Non-RAID media storage
- ▶ Includes 10 (4U) or 1 (2U) removable MediaDrive(s)
- ▶ Includes Blu-ray drive for loading movies and music
- ▶ Includes USB, an 11-in-1 memory card reader for loading digital camera photos, a 17-inch Administration LCD monitor, and a rugged 1U rack keyboard
- ▶ Dimensions 4U: 19" (W) x 7" (H) x 21" (D)
- ▶ Dimensions 2U: 19" (W) x 3.5" (H) x 21" (D)

Mini Server

- ▶ Loads, Stores and Delivers Media to Mozaex Players
- ▶ Up to 2TBs of Non-RAID Media Storage

The Mozaex Mini Server is an affordable and ultra compact Server. Available with up to 2TB of Non-RAID Media storage.

Perfect choice for the Sonnet Music system.

Includes 10 Player licenses. A 30 Player license upgrade is available.

- ▶ 1TB or 2TB of Non-RAID media storage
- ▶ Includes DVD or Blu-ray drive for loading movies and music
- ▶ Includes USB, a 17-inch Administration LCD monitor, and a keyboard / mouse set
- ▶ Dimensions: 11.75" (W) x 2.87" (H) x 9" (D)

All-in-One Systems - Solo Series

- ▶ HDMI, DVI, VGA, Optional Component "CV" Model
- ▶ HDMI or Analog 7.1 HD Audio, SPDIF 5.1 digital or Stereo
- ▶ IR Handheld Remote Controller
- ▶ Enclosure: Shelf Mount. Rack Mount Kit available.
- ▶ Dimensions: 11.75" (W) x 2.87" (H) x 9" (D)

LPCM HD Audio - The Solo decodes Dolby® TrueHD™ and DTS® HD Master Audio™ into LPCM which is then delivered without loss to your audio system.

Music Systems - Sonnet Music Player and Systems

Sonnet™ Overview

Sonnet™ Music Players and Systems

The Sonnet™ series of music players and systems uniquely offers a simple and affordable way to add additional music-only zones to your Mozaex Blu-ray entertainment system or create a multi-room music-only system by combining one or more Sonnet Players with a Mozaex Server.

The Most Flexible and Scalable Music System Ever.

Expand your Mozaex system with either movie/music Players or music-only Sonnet Players. The Mozaex system's flexibility and scalability is unmatched!

To add Sonnet Players simply attach the Sonnet Player to a set of amplified speakers, point your Server to the Sonnet's Ethernet address and you're ready to play music anywhere throughout the home!

Full 2-Way Control and Wi-fi – Makes it Easy and Wireless.

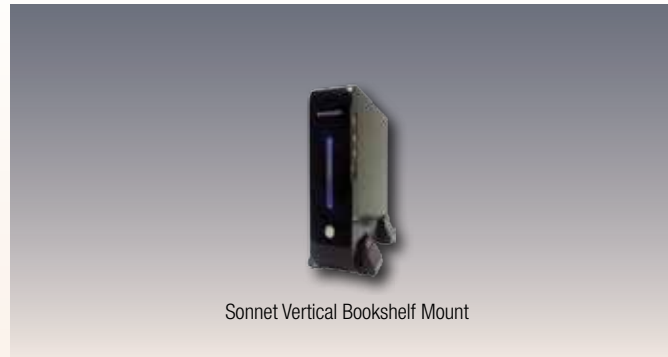

The Sonnet is compatible with more than ten different control systems including Crestron, AMX, iPhone/iPad, NetStreams, Philips, Savant, RTI among many more.

The Sonnet plays multi-room synced MP3s and iTunes from a Mozaex Server, PC or a Mac so you can play either unique music or the same music synced in multiple rooms.

Entertainment at its Best - Fun, Elegant and Easy!

Sonnet™ Music Player

- ▶ Compact, Cool and Quiet Music Player
- ▶ 2-way Controllable Interface

Sonnet Music Player Features:

- ▶ Plays music from multiple network sources
- ▶ Music sources include Server and iTunes PC/Mac
- ▶ Wireless and wired Ethernet
- ▶ Play the same music in multiple rooms with multi-zone mode
- ▶ 2-Way Interfaces including Crestron, iPhone / iPad and others

Sonnet Player Specifications:

- ▶ Audio / Video - Analog Stereo / VGA
- ▶ Ethernet - Wired and Wireless
- ▶ Enclosure - Shelf Mount with Optional Rack Kit
- ▶ Weight: 5 lbs.
- ▶ Dimensions: 7.5" (W) x 2.4" (H) x 10" (D)

Sonnet™ Music System

- ▶ Complete Multi-room Music Player/Server System
- ▶ Flexible and Scalable Configurations

Sonnet Player / Server Description
